

## Online MBA

The AACSB-accredited Online MBA from the Carlson School of Management delivers the advanced education you need to take the next step in your career as a skilled leader. Build expertise employers value while enhancing your business skill set through our industry-driven curriculum. The ability to choose from a range of electives means you can specialize in many different subject areas and customize your coursework.

Our program is designed to fit into your life and schedule so that you can earn your degree while continuing to work full-time. Working professionals are the largest student population at Carlson. We understand the unique needs of adult learners and offer the supportive environment you need to excel.
