

Online Master of Business Taxation

The Carlson School of Management's online Master of Business Taxation program brings together world-class faculty and a thriving local business community to create a transformative, career-building experience for students like you.

This flexible program is delivered 100% online to meet the needs of busy professionals. Our program also features a break during the traditional tax season (March 1 to April 15) to ensure students working in the taxation field can maintain their work commitments. We've designed our broad curriculum to deepen your expertise in critical areas, preparing you for leadership roles and opening doors to new opportunities.

- 100% online course delivery
- Scholarships available
- No minimum GPA requirement
- No GMAT required
- 1,300+ alumni network
- Start date: Fall (September); Spring (January)
- Duration: 1-3 years Full-Time & Part-Time options
- 100% Online
