

Business of Healthcare Minor

Description

Campus

Twin Cities

Program description

The Business of Healthcare minor is available to degree-seeking students admitted to the Carlson School of Management at the University of Minnesota. The minor provides an opportunity for students specializing in one of the functional areas in business to gain additional skills that prepare them with a deeper knowledge of the medical industry. Students undertaking this minor will be exposed to courses on healthcare marketplace, institutions, regulations, reimbursement, medical technology, and analytics applicable to the medical industry. Knowledge of the medical industry landscape complements disciplinary training of the Carlson undergraduate majors.
